UNSPOILED ASS

Dear J18: One of my favorite things about your magazine is the wide variety of girls you get to pose for you. Yes, they all are very similar in that they are all gorgeous, young, and relatively unspoiled. But what I mean is that within the beauties you feature there are a wide variety of different types—thin girls, blonde girls, brunette girls, girls with a bit more butter, redheaded girls, exotic girls...well, I could go on and on but I will rein myself in. I appreciate the effort put into presenting so many different kinds of lovelies for men such as myself to admire and pleasure ourselves to. Variety is the spice of masturbatory life! That's what I always say.—Glen in IA

MORE MOCHA

Dear JUST 18: I have three words : more black girls. I would like to see pictures of slim mocha-skinned teens with big, full, round tit-ties. I would like to see up-close shots of their legs spread so I can admire the bright pink slit glistening where their two perfect brown thighs meet. Maybe a black girl with blonde hair? That would really get me going. Preferably not a wig, but if a wig is the only way to make that happen then you've got to do what you've got to do.—Dean in KY

THE PRETTIEST LITTLE PRINCESS

Dear JUST 18: I think that your magazine is very special. All of the girlies in the pictures are also very special. I sincerely hope that each and every special girlie in every single issue you produce realizes the full extent of their specialness. I long for an opportunity to have a special little lady of my own to lavish attention upon and adore. I would make her feel like the prettiest little princess and I would cause her to feel orgasmic bliss beyond anything she had ever dreamed. I wish that I could put my mouth between the trim legs of any one of the special girlies in your magazine and let her know with my tongue exactly how very special I think she is.—Vince in ID

CAPTURING THE PRECIOUS UNDER-TOOTSIE

Dear J18: I am wondering if there is a way for your photographers to capture more images of the bottoms of the models' feet. There are angles that they could shoot from that would get all of the sex going on plus the precious under-tootsies of all the little slut angels that have agreed to show off their bodies for others to enjoy. I have a bit of a foot thing (if you could not tell) but the part I like the very best is the sole. I like to have girls stand on me when I lie on the floor naked—particularly young teenage girls because they are lighter and won't crush me underfoot. I fantasize endlessly about feeling the bottom of the foot of an 18-year-old beauty balancing upon my hard cock, pressing it down over my stomach as she towers high above me. Help me get off, J18. Just a pic or two of the underside of the models foot while she is playing with herself. I'm literally begging. Please.—John in WV

CURLY ON BOTH ENDS

Dear J18: Not many of your models have curly hair and I am writing in because I wonder if this is because the girls with curly hair straighten it before being photographed or what. I would like to put it out there that there are guys in this world, such as myself, who really appreciate curly hair on a woman and would love to see it more often. And since we're on the subject of hair, why not grow out the pubes a little bit too? Curly on both ends.

That's the way I like my gals. I'm not talking anything crazy, no one wants to see Buckwheat in a scissorlock down there but a few wisps of hair in the pubic region can be very sexy.—Arnold in NE

TRUE BELIEVER

Dear J18: I am 54 years old and I am letting you know that there is no bigger turn-on in the world than an eighteen-year-old girl who has just hit womanhood. That is why I have a raging hard on from the very first second I touch the glossy cover of your magazine until I can manage to put it down and grab the lotion and relieve myself. I've been known to climax two or three times per issue—I'm talking in one sitting. Not small feat for a man of my age. It is not likely that I will be able to put my hands on the body of such a ripe young creature ever again, but I do like to live it over and over by leafing through your impressive publication. Thanks god for beautiful young women! Thank god for the beautiful young women who are willing to show themselves in all of their nude glory to the rest of the world! I am not by nature a religious man, but after I've come three times with the aid of a pornographic magazine I must admit that I find myself believing in something.—Alex in NJ

Some bitches make fun of me for being so tiny but I don't care! Meanwhile I've always got a man on hand with a nice, thick bone and they don't have dick! Like, literally. LOL! The bitches I know have to use didlos or whatever to get themselves off, because guys would rather get with a spinner like me! I've never, ever had to put plastic inside of my pussy, only 100% real male meat goes into my vage. And man, I am so into Chuck right now. He knows how to make a girl feel good from the inside out. When we hook up he tosses me around like his own personal fuck dolly—which I am, pretty much. LOL! He makes sure to munch my box real good right at the start so I'm all gooey and ready to go. I may be little but I have some big-ass O's!

AVA & LIZZY

My nickname in high school was "Lizzy the Lezzy" because I was always trying to get with hot babes. A few would let me kiss them, but they were way too uptight to go all the way. Now at college I'm meeting all these awesome chicks that aren't afraid to be banged out by a girl. Like my roomie Ava. She's tall and slim and more importantly she lives to eat my pussy and have me eat her back. Ava's obsessed with my titties, which are bigger than hers, but her bee stings are way more sensitive. Once I made her cum just by pinching her nips! Real talk. What's best about Ava is that she lets me play with her ass—I like to stick a few fingers inside and stretch her butthole wide open. Then after I withdraw my digits I say, "Pucker up!" and kiss her right on the rosebud....

**STARTING MY
VAGINA
CAREER!**

by Beth Vlotafkin

work at a copy shop to make extra money while I'm going to college. I just started, I'm first year, and it's a little intimidating. Even more so because I still have not gotten my V-card. You know what I mean, I haven't lost my Virginity yet. I've always been kind of a geek, no hook-ups or anything—and now in college I feel backward. And I can't stop thinking about sex and penises and my vagina.

Then into the copy shop comes this guy with pages for me to fax. I run the fax behind the counter. It turns

out he wants me to fax his invoices to a publisher he works for. And guess what he writes? Porno. I can tell by the titles of the stories on the bills.

He's a polite guy, a lot older than I am, regular looking and not bad; and he doesn't make a big deal about what he writes. I mean he never talks about it, or boasts, or gets creepy, but there it is on the bills—the proof, titles like “He Creamed Her Good” or “She Asked for Cock.”

I started to think, could I ask him for cock?

What an interesting way

31778

from the faxes, and none of my co-workers were around, so I went over to him and opened the notebook. “You could help me with something, Lester,” I said. He just stared at the pages and then looked up at me. My nipples were so hard under my shirt I thought they might crack and fall off.

“Art is not my field of expertise,” he said, “but I can recognize passion in these drawings.” He smiled, I guess

to finally get my V-card.

Being a sex maniac like I am because I can barely think about anything other than penises since I've been going to college, I even DRAW penises in a notebook from different angles and imagine them coming toward me while I play with my vagina. So you might say I make my own porno to enjoy. I'm not a bad artist. But I decided to break the ice with this porno guy by showing him my notebook the next time he came in to fax his porno bills. Maybe he could help me, I figured he would be a good place to kick off the real career of my vagina.

Lester (that's his name) was waiting for the receipts

the smile of a middle-aged guy who hasn't been flirted at by an eighteen year old girl in a minute.

“I could show you more if you come to my dorm room,” I said. “My roommate isn't around this week.”

“To what purpose should I come? A middle-aged mug like me?”

I wanted to say, “For your cock,” but my mouth was so dry it was like all my saliva had evaporated. Then I realized maybe I was rushing myself. Maybe taking cock inside was too much, too soon. So I said, “I've looked at your stories, 'cause I see the names of the magazines on the bills, and I decided, um...I thought...”

"You want instruction in the art of erotic writing?" He was so deadpan I didn't know if he was pulling my leg.

"Um...no. This is hard to say..." I put my hand on his arm and then blurted it all out. "I thought maybe...you could help me...get through the loss of my virginity. That kind of thing. It's been driving me crazy and I thought a person like you, a writer about sex, nice looking and experienced, would understand. But now I don't think it's such a good idea!" I looked at him with what must have been the lamest smile in the history of smiles. "Is it?"

"Perhaps I indeed can help in a small but significant way," said Lester. "I would be a fool if I said I wasn't excited by the prospect."

You know something funny? He talked exactly the way he wrote...

Back at my dorm, he was the one who looked nervous. "My own college memories are flooding back," he said.

"Help me make my own memories, Lester. But I don't know where to begin..."

"Gently, perhaps," he said. "Show me the beauty of your body. That's all you have to do. That'll be enough for today."

"Really?"

"You must work yourself toward the cock, Beth, let your vagina become accustomed to its aura, its imminent approach. I will sit over there and take it out. You lay on your bed and show me the allure of your young, graceful body."

There was a little pocket of wetness in me, ready to

run down my legs at any minute. He sat down on the chair and I watched him take out his penis. He smiled in that deadpan way of his and began stroking. "It will get much harder faster if you give me the show you were born to give," he said.

I lay down on the bed and began to open my clothes. I wasn't sure where to start first, so I undid the front of my shirt and then I switched to opening my jeans and tug-

The way he talked, the gentle way he watched, was so hot with the sight of his veiny penis in his hand, the very type of thing I had been drawing so much in my notebook. I reached around and undid my bra, and he smiled at the sight of my titties; then I skimmed down my panties to my ankles and off my toes and there I was, nude on my bed and ready for what I needed.

"Now rub that little clit," he said. "It must be little,

ging them down my legs. Then I went back and slipped off my shirt. I sat there in my bra and panties and he blinked as he watched me, and licked his lips. He was right; his penis was bigger and harder now.

"Don't stop the show," he whispered. "It's too lovely to break for intermission yet."

because you're so petite. Open your thighs and rub it the way I'm sure you're already an expert at. Rub it, we'll match our rhythm and it will be so nice to cum together."

Yes, I thought, leaning my head back against the pillow, this was a good idea. He knew a lot, more than guys

that moment, but I would be enjoying his penis soon. Whether in an hour or a day or a week, I would have it. And then I would have my V-card and I could study and concentrate and be sane again.

First I wanted to finish my show for him. I was grateful for this opportunity.

I propped myself up against the sheets and pillow, and I caressed my boobs and ran my hands down to my pussy. Then I turned over on my stomach and showed him my butt, running my hands over it and pulling apart the cheeks the way I saw girls do in videos. And then I bent my legs at the

knees and stuck my tush up in the air and I looked over my shoulder at Lester as I rubbed my pussy, which was so wet I should have felt ashamed...

"I want to drink all that beautiful girl wine, that hot girl juice," said Lester, and I almost laughed because it was so corny, but it was wonderfully dirty too, because I knew I was as wet as a bottle down there, it was all over my fingertips and then I suddenly started to shake and twist and I cried out, cumming all over my fingers.

And old Lester's man-cream sprayed out across the air and landed right on my bottom.

"I think you're well on your way to earning that V-card," he said, grinning at me and at the mess all over his crotch. "Let's rest up, and then discuss your options!"

I couldn't have agreed with him more! 

my own age would. And probably even more because he was a porno man.

It was so syrupy inside my pussy, the noise made me embarrassed as my finger squished in. And then the smell, that sometimes comes off my body when I get excited, appeared—not an

unpleasant smell, but sharp and musky and it made me feel like an animal.

"You're going to be quite a woman, all the guys will want you," said Lester, leaning his head back against the wall right behind the chair.

I was more comfortable now. It wouldn't happen at

JUNE & PHIL

I met this rad guy Phil on the beach. He owns a bathing suit store and is teaching me how to surf! After our lessons he brings me back to the shop and stretches me out so my muscles won't cramp up. He's such a nice guy!

I always wind up fucking him, of course. I just can't help myself, feeling his hands maneuver my body into different positions...well, it makes me crazy horny. I like it when we boink on top of the exercise ball the best. That thing is so bouncy! When I straddle him and move my hips it helps drive his prick deep into the center of my snatch. Then I close my eyes and imagine myself fucking Thomas on a surfboard in the middle of the ocean, waves crashing all around us as I cum. That fantasy always gets me off, and me getting off makes Thomas blow. He says I'm getting the hang of hanging loose!

BRITNEY

I've got a bod to die for. I'm talking la petite mort. My last boyfriend was French and he taught me that phrase—"the little death." It means orgasm. He was uncut, that guy, which grossed me out at first but when I noticed how much more intensely I felt things when we fucked...well it was a major turn-on. I eventually dumped him for being an arrogant prick but before that I learned some stuff from Frenchy. Like how to relax and savor every sensation during sex. I dig the way my nipples tingle when they get sucked and how my clit feels electrified when my pussy lips are pulled apart. I love doing it in mish because I need to watch the face of whoever is fucking me. I like to study his expression as he thrusts his cock deep. I want to see in his eyes how much he loves my juicy teen cunt.

Joanne,
Mila &
Tim

31472

My bestie Mila is real wild child. I made a secret promise to myself to try and be more like her, so when she showed up one day with this random dude and suggested we all have a threeway I said, "Sure!" Even though I was super nervous. I mean, I'd never had group sex before! I decided to copy everything that Mila did. So when she kissed his shaft, I kissed along the opposite side. When she got on all fours and stuck her ass in the air, I knelt next to her and did the same. What I didn't expect was to feel so horny seeing Mila get humped firsthand. When it was my turn for dick, boy was I ready! I backed up on it like a bitch in heat. But when it came to anal I wasn't ready so Mila's starfish was the only one speared. I did help her swallow his wad, though.

NIKKI

Naughty girls always get all of the attention but I feel like us nice girls deserve love, too! Just because I'm not a total slut doesn't mean that I don't like to show off my body and feel sexy and stuff like that. Yes, technically I am still a virgin but so what? I still know what it feels like to cum. I've rubbed my clitty to orgasm about a billion times, thank you very much. Just because I'm saving my V to give to a guy who's not a total creep doesn't mean that I'm a prude. It just means that I'm picky! I love getting naked and flaunting my tight curves. I'm proud of my perfect tits and my fresh pink clam. My butt is pretty damn fine, too! I just hope that when I do pop my cherry it isn't anti-climactic. I've gotten used to the killer climaxes I give myself, so my sex expectations are pretty high. 

My Wife & 2 Nasty Girls

Will pull up their dresses, pull down their panties, fuck suck and cum just for you!! They'll do other things too if you tell us what you like. I can't mention ages in this ad, but our home videos and pictures are better than the commercial stuff.

AVI, HAILEY &

DUPREE

33151

Nothing makes me hornier than a picnic! Spreading a blanket over the grass always makes me want to bare my buns and play hide the hot dog. My sexy friend Hailey is wired the same way I am—slutty—so we were both beyond psyched when we talked my brother's friend Dupree into accompanying us on a little outdoor excursion. As soon as the three of us found a secluded spot we got right down to dirty business. After some fun foreplay—me munching Hailey, us both blowing Dupree—I got crammed full of cock while I made out with my girl. Then it was her turn to get stuffed, then mine again...Dupree alternated between us, boning us both until she and I had cum like ten times each and he was way ready to bust a nut. So then Hailey and I knelt to receive a full dose of dick juice in the face. Yay!

COUNTRY GIRL

Boys are stupid, which is why I like men. I'll take on a big, strong man who's good with his hands over a hairless knucklehead any day. In fact, I'll take on four. At the same time. You only live once, right? Lucky for me I live right by a farm, so there are plenty of sturdy brutes to choose from. All I have to do is stand at the edge of the field and flash my titties and I'm guaranteed as much male attention as I can handle. Believe me, I can handle a lot! The exhilarating feeling of four sets of work-roughened mitts pawing my soft naked flesh from every direction really gets my gash agush. I let them do whatever they want—poke stuff into my puss, administer an enema—just as long as I get to swallow all their hot loads. I'm a sucker for a fresh protein smoothie. **18**
